

ScanSet::ScanSet

```
graph LR; A[ScanSet::ScanSet] --> B[ScanSet::on_textSize  
_current_text_changed]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ScanSet::ScanSet'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ScanSet::on_textSize' on the top line and '_current_text_changed' on the bottom line.
